Sanpete County, Utah
2,731 acres in Sanpete County, Utah
List Price: $1,300,000

This property included 2,731.97 acres four miles west of Manti, Utah. The property was used for spring sheep grazing for roughly 1,100 to 1,300 sheep. The property included a livestock water right and well. There were eight lambing sheds on the property which total 17,675 square feet in size. County road access to the area from east (Manti side) and south (Gunnison side). The property was partially fenced and was a mix of range, pasture, and foothill land.
